2018 Beginner & Advanced Beginner Camps

All camps will run from 8:30 am to 4:00 pm. All of our beginner camps will be limited to 10 riders. Activities and games will focus on horse care and horsemanship skills, while emphasizing safety on the ground and in the saddle. Campers will have their lessons in the morning, learning to groom and tack up their mounts. A combination of group and private lessons will help prepare riders for games on horseback. They will also help care for the horses by cleaning a stall, cleaning tack, and learning general basic horse care. After lunch, campers will have some supervised free time to enjoy our pool and relax. Afternoon games, crafts, and activities designed to help them to work with and learn more about horses will round out the day.

On the last day, parents are invited to watch them compete in games on horseback for ribbons. Campers will also compete in a Jeopardy-style game to test their knowledge. The price listed does include the \$100.00 deposit required to guarantee your child's place in the camp of your choice.

Ages 7 To 10 for Beginner Riders:

These are camps that have been specifically designed with the younger rider in mind. Activities and games will focus on the most basic horsemanship skills, while teaching riders to be safe and confident around horses. The last day of camp will have games on horseback for parents to watch but riders will be more closely assisted for the games. The dates of these camps are as follows:

June 26th – June 29th

&

August 13th – August 17th

A 4-day camp, Cost is \$275.00

A 5-day camp, Cost is \$325.00

Ages 8 to 12 for Beginner to Intermediate Riders:

These camps are five-day camps. While some riders in these camps will never have ridden, others may have started cantering or jumping. These lessons will be grouped by ability and will be focusing on giving riders the confidence, balance, and skills they need to improve their riding. Campers may also be grouped by knowledge for afternoon activities and games. Price will be \$325.00 for these sessions. The dates of these camps are as follows:

June 18th – June 22nd

&

July 23rd – July 27th

&

August 20th – August 24th

Please let us know if your child will require special accommodations. If your child requires special help in a classroom setting, they will certainly require additional support at this camp. Please meet with us prior to the first day of camp to discuss accommodations that might be needed. There may be an additional cost for an individual aide for a child.

2018 Horsemanship Camp **Sunday, July 29th – Friday, August 3rd** **A Six Day Camp**

Our Horsemanship Camp is a very special camp designed to improve riding and horsemanship skills while also building confidence, and encouraging teamwork. This is a six-day camp open to almost all ability levels. Riders must be able to groom and tack up independently. This camp will run from 8:00 am to 7:00pm. The focus will be on riding, team building skills, designing team rides, problem solving, and more advanced horsemanship skills. As always, we will still emphasize safety on the ground and in the saddle.

At this camp we will also have guest speakers and demonstrators. For the last three years we have had Morgan Gundersen join us to do Yoga and Core Strengthening to improve riding. Morgan has been a favorite of the kids, so we are hoping to have her back again this year. Other speakers are still being determined, and will be chosen based on the topics our riders are interested in. We should have the final schedule by May 1st. Some of the themes that have been suggested for this year's camp are:

- “Alternative Theories in Training and Health Care”
- “Training to Increase Strength & Endurance”
- “Horses in History”
- “Job Opportunities in the Horse Industry”

We are still in the process of choosing a theme, so please feel free to share ideas for themes and people who might be willing to do presentations for us.

During this camp we also offer several 4-H style competitions, including Quiz Bowl, Judging, and Communication contests. Riders will compete as individuals and as teams in most of these contests. Each team will design team t-shirts and a drill team ride. Teams will be chosen based on riding ability and knowledge, so that the teams should be as equal in ability and knowledge as possible. Teams will be assigned ahead of time, but will not be announced until the first day of camp. The last day of camp will be a Sunday and will include a show to demonstrate skills and compete with team rides.

Since the days in this camp are very long, riders will need to bring a lunch, and all parents will be asked to contribute in some way towards dinner. We are planning to have a meeting to prepare for meals and to discuss final topics and presenters on Sunday, April 22nd at 1:00pm. This meeting will be held at Patty's House and riders should bring a parent to the meeting as well. At this meeting we will also be planning meals, and parents who have skills they want to share at camp can sign up to help out. Discounts are available to parents who help during camp. Price will be based on final plans and discounts. Maximum price for this session will be \$450.00. This price does include the \$100.00 deposit required to guarantee your child's place in this camp. There are additional forms required to attend this camp.
